ST. ANSGAR COMMUNITY SCHOOL DISTRICT POLICY MANUAL

INTRODUCTION

This policy manual contains the policies of the board of directors of the St. Ansgar Community School District. Policy development is a dynamic, ongoing process. New problems, issues, and needs give rise to the continuing need to develop new policies or to revise existing ones. The use of a loose-leaf manual is to make it easier to keep the policy manual up-to-date.

Each person holding a copy of this manual has a duty to keep the manual current as new and revised policies are distributed by the central administration office.

How To Use This Policy Manual

The St. Ansgar Community School District operates according to policies established by its board of directors. The board develops policies after careful deliberation, and the school administration implements them through specific regulations and procedures. The board reviews and evaluates its policies and makes revisions as necessary.

The manual is organized according to a numeric codification system. There are nine major classifications bearing a numeric Series Code.

100	SCHOOL DISTRICT
200	BOARD OF DIRECTORS
300	ADMINISTRATION
400	EMPLOYEES
500	STUDENTS
600	EDUCATION PROGRAM
700	NONINSTRUCTIONAL OPERATIONS AND BUSINESS SERVICES
800	BUILDINGS AND SITES
900	SCHOOL DISTRICT - COMMUNITY RELATIONS

Subclassifications under each numeric Series are based on a logical sequence and coded by the subclassification numeric code.

The index pages that follow each tab present the policies included in that Series. These index pages serve as a table of contents for each Series.

ST. ANSGAR COMMUNITY SCHOOL DISTRICT POLICY MANUAL

INTRODUCTION

How To Find A Policy

There are two ways to find a policy. The first is to review the nine Series and determine which section the policy may be in. By turning to that Series, you can review the table of contents to determine whether the policy is included. If the policy is included, you can turn to the policy by finding the correct code number in the upper right hand corner of the policy.

The second way to find a policy is to look up the policy in the alphabetical index found under the tab entitled "Index" at the end of the manual. It will direct you to the Series and the policy code number. Again, you can turn to the policy by finding the correct code number in the upper right hand corner of the policy.

How To Read The Signs And Symbols

A variety of signs and symbols are used in concert with the numeric codification system. These are explained below:

-R	This symbol following a policy code number indicates the statement is an administrative regulation rather than a board policy. These statements appear on yellow paper.
-Е	This symbol following a policy code number indicates the statement is an exhibit rather than a board policy. These statements appear on green paper.
Legal Reference	This sign indicates the legal references. They tell the user where the user may find the statutes, case law, attorney general opinions, or administrative rules that give authority to a policy.
Cross Reference	Many policies in the manual relate to other policies in the manual. Cross references are provided to assist the user in finding all of the related policies.

Inquires about the policies included in this manual may be directed to the board members or to the superintendent by telephone at (641) 713 – 4681 or by writing the school district at 206 East 8th Street, P.O. Box 398, St. Ansgar, IA. 50472.

LONG-RANGE NEEDS ASSESSMENT

Long-range needs assessment enables the school district to analyze assessment data, get feedback from the community about its expectations of students and determine how well students are meeting student learning goals. The board shall conduct ongoing and in-depth needs assessment, soliciting information from business, labor, industry, higher education and community members, regarding their expectations for adequate student preparation as responsible citizens and successful wage earners.

In conjunction with the in-depth needs assessment of the school district, the board shall authorize the appointment of a committee, representing administrators, employees, parents, students and community members, to make recommendations and assist the board in determining the priorities of the school district in addition to the basic skills areas of the education program.

Every five years the board will conduct an in-depth needs assessment of the school district. The school district provides opportunities for local feedback with the community by:

- Annual advisory meeting
- Monthly school board meetings
- Presentations at school board meetings by request
- Open door policy

It shall be the responsibility of the superintendent to ensure the school district community is informed of-students' progress on state and locally determined indicators. The superintendent shall report annually to the board about the means used to keep the community informed.

As a result of the board and committee's work, the board shall determine major educational needs and rank them in priority order; develop long-range goals and plans to meet the educational needs; establish and implement short-range and intermediate-range plans to meet the goals and to attain the desired levels of student performance; evaluate progress toward meeting the goals and maintain a record of progress under the plan that includes reports of student performance and results of school improvement projects; and annually report the school district's progress made under the plan to the committee, community and Iowa Department of Education.
