JURISDICTIONAL STATEMENT

School district policies are in effect while students are on school grounds or property within the jurisdiction of the school district; while on school owned and/or school operated buses or vehicles; while attending or engaged in school activities; and while away from school grounds. Misconduct directly affects the good order, efficient management and welfare of the school district, involving students and staff. Violation of school district policies may result in disciplinary action and may affect a student's eligibility to participate in extracurricular activities. School district policies are in effect 12 months a year.

Students may be disciplined for conduct that disrupts the education program, disrupts the orderly and efficient operation of the school district or school activity, or disrupts the rights of other students. Disciplinary measures include, but are not limited to, removal from the classroom, detention, suspension, probation, and expulsion. Discipline may also include restriction from privileges to participate in extracurricular activities, field trips, and classroom activities.

DEFINITIONS

In this handbook, the word “parent” also means “guardian” unless otherwise stated. An administrator’s title such as superintendent or principal, also means that individual’s designee unless otherwise stated. The term “school grounds” includes the school district facilities, school district property, property within the jurisdiction of the school district or school district premises, school-owned or school operated buses or vehicles and chartered buses. The term “school facilities” includes school district buildings. The term “school activities” means all school activities in which students are involved whether they are school sponsored or school approved, whether they are an event or an activity, or whether they are held on or off school grounds.

GENERAL SCHOOL INFORMATION

SCHOOL DAY

The teacher's day begins at 7:45 AM with classroom instruction beginning at 8:15 AM. Students should arrive at school after 7:50 AM for breakfast.

We do not have supervision in our building until 7:50 AM. Students should not be dropped off early. Wandering through school is not permitted.

School is dismissed at 3:20 PM each day. Students picked up at dismissal time should use the south entrance/exit to the building. Parents should be at the south door to pick up your child. Students will not leave without a parent/adult picking them up.

SCHOOL CLOSINGS

All school closings, delayed starts and early dismissals due to inclement weather will be broadcast on the following radio and TV stations, as well as our ONE CALL system:

--KIMT-TV (Mason City)

--KGLO (AM 1300-Mason City)

--KAAL-TV (Austin)

--KLSS (Mason City)

--KTTC-TV (Rochester)

When an early dismissal occurs, parents must ensure that children know how to get in the house if no one is home. Please discuss with your child what the plan will be for early dismissals before they occur. **Calling home from school should not be the plan.** Parents will be notified in advance by a note or newsletter when an early dismissal is planned by the administration.

When school is called off due to inclement weather, our phone lines become very busy. Please talk with your children, or your child's teacher, about what they should do in case of bad weather. As always, our school will make sure your child is safe during these situations.

VISITORS

All visitors are welcome but upon entering the building you must report to the school office. You will receive a visitor's badge after signing in. School age visitors are not allowed during the school day unless escorted and supervised by an adult. We like to have parents visit the school. Parents are welcome to visit any time, with the exception of the first two weeks of school, on party days, and during the last two weeks of the school year. The visit should be kept to no longer than one hour.

See St. Ansgar Community School District Board Policy 904.2 for more information.

CLOSED CAMPUS

Children are not allowed to leave the school during the day. If you are going to pick up your child you must notify the teacher and the office by phone or with a note. If you do not call the office or send a note, your child will be sent home on the bus.

CHANGE OF IMPORTANT CONTACT INFORMATION AND EMERGENCY CONTACTS

In order for our records to be kept up to date, it is required that any changes in important contact information be reported to the teacher and the elementary office. This information is needed for emergencies as well as for routine communications.

COURT DOCUMENTS/CHANGES ON STUDENTS STATUS

In the interest of student welfare, the school appreciates any information in changes of family status. If the court has ordered any special provisions concerning a student(s), the school must receive a copy of the court order so it can follow the terms of the agreement.

CONFERENCES/REPORT CARDS

Each year special times are set aside for parent/teacher conferences. About two weeks before the scheduled time, letters will be sent to parents confirming the time(s) of their conferences. Every effort is made to accommodate your needs. We hold conferences in the fall and late winter. Parents wanting to meet with a teacher in addition to conferences may contact them to set an appointment.

- The purpose of the conference is to give the parents and teachers an opportunity to share their views concerning the welfare and progress of the child.
- Parents and teachers may also request additional conferences if they so desire.
- Report cards are issued at the conclusion of each semester.

TELEPHONE - STUDENT USE

The school telephones are to be used for school business. Students must have an adult's permission to use the telephones in the building. Students will not be allowed to

call parents requesting permission to stay in town, to go to another student's home, and the like. We are suggesting that plans such as these should be made at home.

TOYS OR OTHER EXPENSIVE ITEMS

The school cannot be responsible for expensive toys or items at school. Items such as kindles, Ipods, Ipads, phones, etc., are not the responsibility of the school. If the student brings these items to school, it is their responsibility if something is lost, stolen or broken.

BUILDING USAGE

For use of the elementary building and/or gym, please call the elementary office.
641-713-2331

BIRTHDAY INVITATIONS

Invitations for birthday parties shall not be handed out in school unless each student is invited (all boys or all girls, depending on the sex of the birthday party person). If the students are not all invited, the invitations should not be handed out.

LATEX FREE ENVIRONMENT (BALLOONS)

It is the policy of the school district to ban latex balloons and latex materials of any kind. (Balloons are not allowed on the buses. If a child receives a balloon at school, you are responsible for taking the balloons home.

STUDENT SALESPERSONS

We strongly suggest that all students refrain from selling or trading items at school to reduce the temptation of theft of money or merchandise and loss of school time for sales for the sales transaction.

LIBRARY/TEXTBOOKS

Both library books and textbooks are expensive. All students are encouraged to take good care of them. We encourage students to cover their textbooks. We discourage tearing and writing/coloring pages in books. Students will be asked to pay for any lost or damaged books.

STUDENT ATTENDANCE, DRESS CODE, AND SCHOOL LUNCH

ATTENDANCE

It is the educational philosophy of the St. Ansgar Community School District that regular attendance by all students at school is essential and cannot be duplicated by other methods.

Students are unable to obtain the maximum opportunities from the educational program offered without attendance at scheduled classes and activities. Consequently, the Board of Directors, the Administration and Staff of the St. Ansgar CSD expects that students shall be in attendance at scheduled classes and activities for at least 1126.1 hours per academic year.

The exception to the rule of 1126.1 hours per year attendance would be in the case of an emergency, doctor or dental appointments, authorized religious holidays and school sponsored or approved activities. The only absence, which constitutes such an emergency would be illness of the student or a death or serious illness in the immediate family. All absences, other than illness or funeral should be approved by the school in advance for the absence to be excused. A student is never able to “make-up” the educational benefits gained from actual attendance in the classroom. As a result, even an excused absence may affect the grade accordingly. Also, if a student misses a great deal of school, it may be recommended that the student be retained the next school year.

School attendance is the responsibility of the students and parents. Excessive absences must be reported to the county attorney. When a student is going to be absent from school, the parent should call the school letting the office know the reason. This should be done between 8:00 a.m. and 9:00 a.m. If a student is going to be late to school or leave early from school, a note should be sent with the child to give to the teacher, or the parent should call the office.

All absences will result in a reasonable effort by the school to contact the student’s parent in order to confirm the student’s safety, unless the school has been previously notified by the parent of the absence in writing or by phone.

If a student comes in after 10:00 a.m., they will be counted ½ day absent. If a student leaves before 2:00 p.m., they will be counted ½ day absent. If a student is gone more than an hour and a half in the middle of the day, they will be counted ½ day absent.

After **5** absences, excused or unexcused, or a combination of both, a letter will be sent home.

After **10** absences, excused or unexcused, or a combination of both, parents may be asked to meet with the teacher and principal.

After **15** absences, absences, excused or unexcused, or a combination of both, the county attorney will be notified.

A truant student is defined as a child over seven and younger than sixteen years of age, in proper physical and mental condition to attend school, who fails to attend school regularly without reasonable excuse for the absence. If we feel that the student is truant, the county attorney will be notified.

See St. Ansgar CSD Policy 501.3, 501.9, and 501.10 for more information.

SCHOOL DRESS-INDOORS and OUTDOORS

Appropriate school dress is very important to all at St. Ansgar Elementary school. Student attitude reflects the manner of dress and does have an effect on conduct in the classroom. The school staff and administration ask for parent cooperation in establishing and enforcing guidelines for appropriate dress. The idea of this dress code is to encourage the students to use personal judgement in their appearance because it does affect your impressions on other people, and seems to affect behavior. However, a few rules are needed for safety, health, and to enhance the learning process. The basic guidelines are as follows:

- T-shirts must have acceptable wording or students will have to call home for other clothing or wear the shirt inside out (if wording cannot be seen that way).
- Tank tops, or tops that are low cut, have midriff exposed or have excessively large arm holes are not acceptable. Students will be asked to change their clothes.
- Shorts may be worn throughout the school year. However, they must be shorts appropriate for school aged children (not too short). Be aware of the weather and that your child dresses to be outside at recess time. If it is cold, and your child

wears shorts, they will still go outside for recess, unless they have a doctor's note.

- Footwear must be worn at all times. Tennis shoes are required for PE class. Sandals that cover the toes and have a heel strap on them are OK for school, but may cause problems at recess. Flip Flops are not appropriate and not to be worn.
- During cold weather periods, caps/hats, snow pants, and mittens/gloves are a must.
- The wearing of boots and snow pants is required during the cold and/or wet periods for all grades. Students without boots will not be allowed to play in the playground. If you are unsure of the weather for the day, it is better to be safer than sorry. Since Mother Nature changes so quickly, students may want to plan on bringing cold weather clothing during the regular "cold months" each day.

COLD WEATHER PROCEDURES

Students at St. Ansgar Elementary School are expected to go outdoors during recess periods. Our recesses do not last more than 20 minutes for noon or 15 minutes for the morning and afternoon recesses. We try to monitor the weather closely and use the following rules as a guide.

- If the temperature and wind chill are above 0 we will be going outside.
- If the temperature and wind chill fall below 0 we will stay indoors.
- The weather will be monitored and may change what our students do for each recess.

BREAKFAST/LUNCH/MILK INFORMATION

St. Ansgar CSD has a computerized meal/milk system. Each student has an account and is assigned a meal/milk ID that is scanned each time that student drinks milk, takes breakfast or takes hot lunch. We ask that a deposit is made at the beginning of the school year and that a positive balance is maintained throughout the remainder of the year. Breakfast will be available to all elementary students from 7:55-8:15 a.m. daily. The cost will be set at the beginning of each school year (at registration). Every time a student eats breakfast, lunch, or has an extra milk, money is deducted from the student's account. These fees also are set each year and can be seen at registration time. Juice is available instead of milk for students who cannot have dairy products upon recommendation in writing by a physician on clinic letterhead. For more information, contact the elementary office.

Because we have a closed campus during lunch, we do not compete with local establishments (Casey's, Sportmen's Lounge, Paradise Pizza, etc...). Students

may bring a cold lunch from home, but lunches purchased from outside of school will not be allowed in the school. If your child is brought a lunch of this sort, he/she will have a school lunch and it will be charged to their lunch account.

If a student will be having a guest eat with them, please call the office (641-713-2331) before 9:00 a.m. on that day. We need an accurate lunch count for our cooks.

NOON HOUR LUNCH PROCEDURES

The lunch schedule will be set each August once the elementary class schedule is completed.

All children eat their lunch in the lunchroom. Everyone is expected to follow the same rules:

- Be seated while eating - not wandering about from place to place.
- Eat the food - not throwing or dropping it to the floor.
- Speak in a soft voice.
- Clean up their own litter such as milk cartons, napkins, and bags.
- Trays are stacked as directed by the kitchen personnel.

BEHAVIOR AND DISCIPLINE GUIDELINES

Our goal is to create an environment that allows students an equal opportunity to succeed and prosper, not only as learners, but also as individuals entering society. In order to fulfill this goal, we expect the students attending St. Ansgar Elementary School to adhere to certain guidelines concerning discipline and responsibility. The basis of both of these ideals is respect. We expect students who are part of our school. For whatever length of time, to remember and maintain this central theme.

EDUCATIONAL SERVICES AND AEA

EQUAL EDUCATIONAL OPPORTUNITY

It is the policy of the St. Ansgar Community School District not to illegally discriminate on the basis of race, creed, color, sex, sexual orientation, gender identity, national origin, gender, disability, religion, age (employment only), political party affiliation, actual or potential parental, family or marital status, and socioeconomic status (students/program only) in its educational programs, activities or employment practices. Students are educated in programs, which foster knowledge of, and respect and appreciation for, the historical and contemporary contributions of diverse cultural groups, as well as men and women, to society. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the district's Equity Coordinator, Lynn A. Baldus, Principal, PO Box 398, 206 E. 8 th St., St. Ansgar, IA 50472, (641) 713-4720, lbaldus@st-ansgar.k12.ia.us. Inquiries may also be directed in writing to the Director of the Region VII Office of Civil Rights, U.S. Department of Education, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114, (816) 268-0550, or the Iowa Department of Education, Grimes State Office Building, Des Moines, IA, 50319-0146, (515) 281-5295.

SECTION 504 - NON DISCRIMINATION POLICY

Students, parents, employees and others doing business with or performing services for St. Ansgar CSD are hereby notified that this school district does not discriminate on the basis of race, color, national origin, sex, marital status or disability in admission or access to, or treatment in, its programs and activities. Any person having inquiries concerning the school district's compliance with the regulations implementing Title VI, Title VII, Title IX, the American's with Disabilities Act, 504 or Iowa Code; 280.3 is directed to contact the elementary principal.

See St. Ansgar CSD Board Policy 103 for more information on the above.

GUIDANCE AND COUNSELING SERVICES

Group guidance sessions are held in grades K-5 classrooms. Discussions are held concerning personal affective development, interpersonal relationships, family involvement, academic educational involvement, and career vocational development. Call the elementary guidance counselor for more information.

CENTRAL RIVERS AEA (CRAEA)

Our school district is part of the Central Rivers Education Agency in Clear Lake. We have the following special education personnel in our building throughout the week.

- Speech Clinician
- Hearing Clinician
- Special Education Consultant
- Physical and Occupational Therapist.

SUMMARY OF PARENTAL RIGHTS

The decision whether or not to provide special education is a team decision. The prescription of special education may or may not be appropriate depending upon whether a student meets certain criteria that will entitle them to special education services. Failure to thrive in a general education environment is not, by itself, sufficient evidence of the need for special education. Data from a number of sources must be considered in making this decision. Baseline performance data, discrepancy analysis, outcome criteria, ongoing intervention design and graphic representation or progress monitoring are essential elements in determining the next steps.
